THE REVERE STEREO TAPE CARTRIDGE SYSTEM

The Revere Stereo Tape Cartridge System

A revolutionary tape cartridge recorder-playback system capable of playing up to 15 continuous hours of taped stereophonic music.

The result of five years of research, the radically different Revere system performs all operating functions automatically while reproducing the full range of frequencies with extraordinary fidelity. It can be installed in new or existing consoles and the ease with which it is operated makes it an ideal unit to serve as the heart of a home stereophonic taped music system.
